

Experienced Automotive Service Technician

We are MOTOR WERKE, a European Automotive Service facility located at 120-1765 Springfield Road, Kelowna, British Columbia, Canada. We are an exceptional repair centre and we are on the lookout for an exceptional automotive service technician.

About Us

At MW Motor Werke Inc., every employee is expected to commit to our high standards of service, become dedicated to our clients and consistently strive to discover their maximum potential as an integral member of our team.

As a Certified AST, you are responsible for the skillful interpretation, analysis and full diagnosis of vehicle problems.

You will provide recommended solutions based on the direction of the customer and/or the Service Advisor, and you will communicate those recommendations in a way that is easy to understand for customers of all levels of automotive technical aptitude.

Using your knowledge, abilities, and skills you will recommend and carry out repairs, parts installations and performance enhancement upgrade solutions. You will be expected to use the most efficient and effective mechanical and technological methods of car repair delivering the best value to our clients.

About the Job

We provide a collaborative team culture, team member pricing for immediate family vehicle service, and fun team events to entertain and engage. Our current opening for a Certified AST offers the following:

- full time, permanent position
- competitive wages plus achievable performance bonuses
- three weeks paid vacation
- extended benefit package including dental, vision, chiropractor & massage
- an independent, professional shop environment with a dedicated team
- paid training opportunities in the U.S. and Canada
- professional uniforms provided
- very clean working environment
- strong support system and collaborative environment

- very well-equipped shop including factory diagnostic tools

Best of all, hours are Monday to Friday, 8 am to 5 pm - no weekends!

About the Ideal Candidate

- hold or are eligible to obtain Red Seal Certification
- minimum 2 years of progressive automotive experience
- experience servicing European vehicles – preferred, but not mandatory
- perform agreed-to vehicle repairs, parts installations and performance upgrade solutions in accordance with factory, supplier and company standards, policies and procedures
- possess effective communication skills when engaging clients, service advisors, managers plus other service technicians regarding jobs and tasks
- possess a valid drivers' license to perform pre and post repair vehicle road tests
- maintain accurate, thorough and detailed documentation of repairs
- maintain clean, organized, and safe work areas
- commit to keeping up to date with industry advancements, knowledge and training
- possess a positive, team orientated, proactive attitude
- can align with the Motor Werke's culture, vision and mission statements

Interested?

Please send your resume in confidence to info@motorwerke.ca. Local candidates are welcome to drop off a copy in person. In your covering note, tell us your favourite vehicle of all time, and tell us why you love it. We look forward to hearing from you!

We value your interest. However, only those applicants selected for an interview will be contacted. Relocation assistance may be available.
